

READING SUMMARIES

UHON 351U — UNCERTAINTY, SPRING 2013

1. WHAT IS TO BE DONE

You will read the documents on the schedule for each week. You will then prepare a brief (not more than one page) summary of what you have read. This summary should at least describe the following:

- What is the reading about, as a whole?
- If the reading is part of a book, how does this part fit in to the author's overall plan for the book?
- What are some of the key terms or concepts in the reading? (You should explain each one).
- What questions (at least two) do you want to see answered in our discussion?

2. DUE DATE

The first summary will be due on Thursday, January 17. After that, a summary will be due each Tuesday for the reading assigned for the week beginning that Tuesday. The summaries should be turned in immediately at the start of class. Recall that they must be typed.

3. GRADING

Grading will be according to the standard criteria in the course writing guide, with no additional questions.
